Presentation and discussion of individual research programs. Each person will explain his or her current research activities, questions, methods, etc. taking about 20-minutes, followed by about 10 minute Q&A. Total time for each person should not exceed 30 minutes.

Doug Irke, Eric Zeemering, Jered Carr

Break 3:15-3:30 PM

Edgar Ramirez, David Matkin, Manoj Shrestha, Sung Kwan

5:30 - 6:30 PM Methodological Approaches

How Do We, Could We, Should We Study Networks and Collaboration?

6:30 PM Return to Eldridge – Katherine and George/Kelly

Dinner on your own

**Friday, November 14**

8:45 - 9:00AM Pick up everyone from Eldridge Hotel- Katherine and George

9:00 AM –12:00 PM Integrating Research Themes/Future Directions

The agenda for day two will be less structured and the content determined by the participants. This day is dedicated to following up on issues raised (or omitted) from the discussions on day one that participants wish to raise. We will seek to identify, integrating themes and research patterns from our discussions, identify opportunities for collaborations, discuss strategies for data collection and methods of analysis.

Dissertation overviews from Ph.D students:

In-Won and Shanthi

Break 10:30-10:45 AM

Discuss a research agenda and/or venues for future meetings and sharing working papers and published work.

PM – Rides back to airport – Randy, Katherine, Nathaniel, Diana? Kelly?
